## Scroll

## F-holes

## Position of music notes

# - sharp note

b - flat note

A musical notation chart with four columns labeled '1 finger', '2 finger', '3 finger', and '4 finger'. Each column contains four rows of musical staves, each with a colored circle (red, green, blue, yellow) and a corresponding note with a sharp or flat symbol. The notes are placed on the lines and spaces of the staves. The 'in Muse' logo is in the top left corner of the chart.
